About Anabelle

Where style meets functionality. Discover the perfect harmony of functionality and aesthetics with our brand-new, "Anabelle Roller Shades." Anabelle is designed to elevate your living spaces, offering a seamless blend of contemporary design, cutting-edge industry technology, and effortless operation.

With unparalleled elegance, Anabelle brings sophistication to any room with a wide selection of premium fabrics and patterns that cater to diverse interior styles.

FEATURES & BENEFITS

- Choose from a wide variety of fabric textures, styles and colors
- Elegance Lift is our innovative cordless roller shade system that ensures smooth and quiet operation. This eliminates the annoying cords and enhances safety for children and pets.
- To raise or lower, gently lift or pull the shade by the handle to the desired location. That's it, no additional effort is required
- With superior light control, Anabelle's tension adjustment dial allows you to fine-tune when necessary. With light management at your fingertips, Anabelle allows you to create the perfect ambiance and control glare while maintaining privacy
- Experience enhanced energy savings with energy efficiency that helps insulate the home, keeping it cool in the summer and warm in the winter
- Anabelle provides fast and hassle-free Installation with our tried-and-true mounting systems that ensure a seamless installation process
- Motorization and Smart Integration. Anabelle motorized Roller Shades will seamlessly integrate with our companion app, offering convenient voice and app-controlled operation for the ultimate comfort and convenience

Anabelle promises an exceptional window-covering experience that will transform home and office spaces into stylish havens of comfort and elegance.

Elevate your living spaces today with Anabelle Roller Shades!

Fabric Disclaimers

Fabric appearance can vary based on indoor light intensity. Due to variations in fabric and dye lots, colors may vary slightly. It is highly recommended that all shades for the same room location to be ordered at the same time to help ensure color consistency

FABRIC & INFORMATION

COLOR COORDINATION

Each fabric has a suggested coordination of hardware colors, please specify in your order the top treatment color selection.

- Hem Bars will be coordinated with the top treatment color by default, unless an alternate color is specified
- End Caps on fabric-wrapped Hem Bars will automatically be coordinated with the top treatment color that is selected
- Only Metal Nickel Chain is currently available

Opacity and Light Control

SEMI OPAQUE

Light Filtering:

A wide range of light diffusion from bright to dim.

OPAQUE

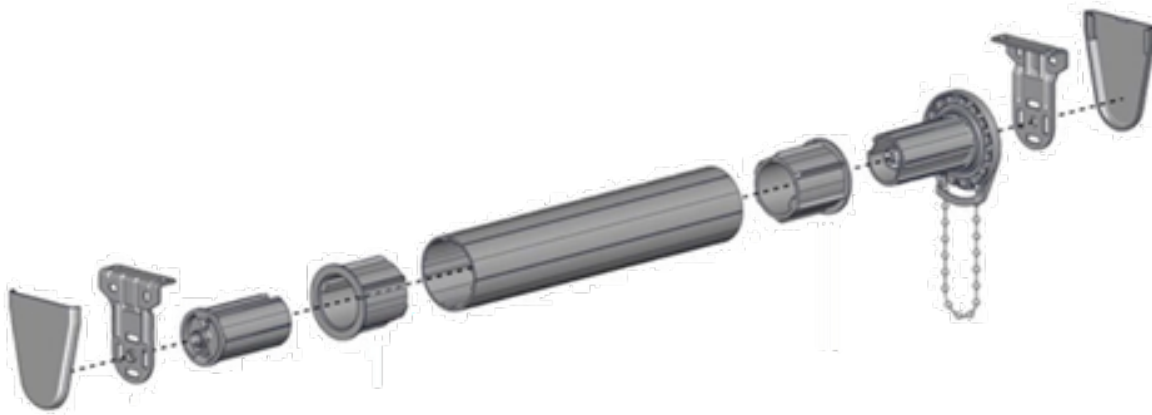

Room Darkening:

Blocks a significant amount of incoming light and provides maximum privacy. A perfect combination of room-darkening and privacy control.

SHADE TYPES

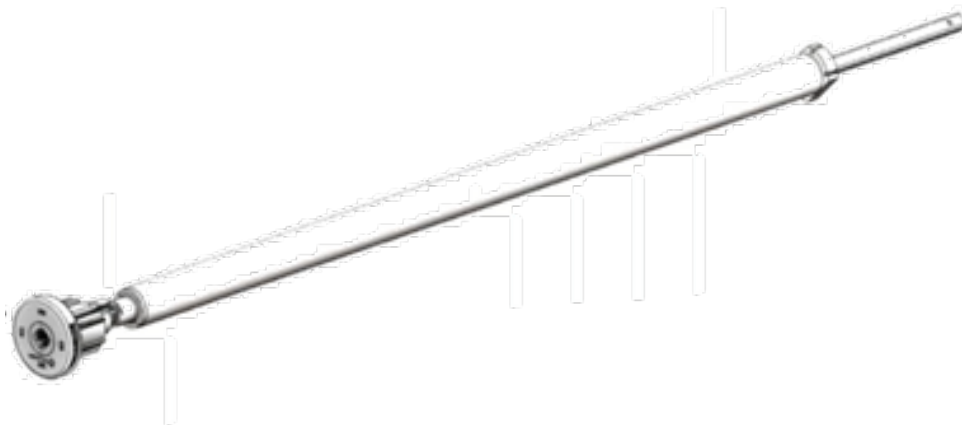

Clutch (Cord Loop) System

- Smooth and reliable operating clutch technology in a sophisticated, rounded profile
- Flexibility in installation with the spring-loaded pin end
- Brackets are the same for both the Idler end and Control end sides

Spring Assist

- Spring assist Boosters are available for larger size shades, with heavier fabrics, that allows for effortless lifting on even the largest shade sizes

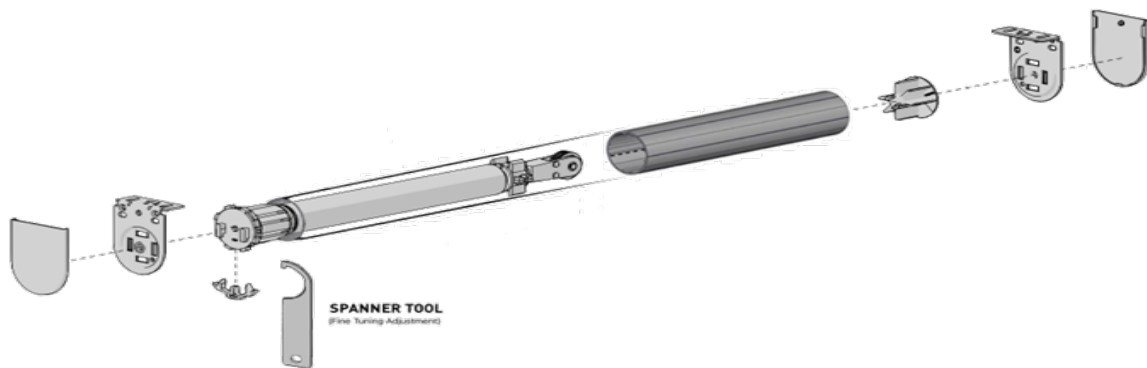

Spring Assist reduces the pull force on heavy shades to approximately 6 lbs, even on shades weighing up to 30 lbs. Using the Spring assist is suggested at 10 or more lbs

SHADE TYPES

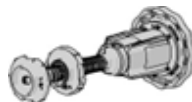

Elegance (Cordless) System Overview

- Innovative and simple, one-piece control mechanism
- A quick and easy to install cord free solution
- Has a responsive tension control adjuster allowing fine tuning of shades after installation

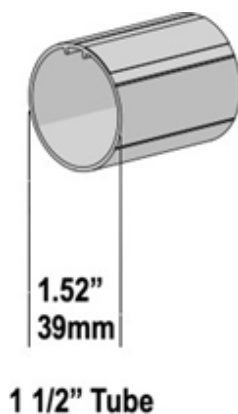

Stop Limiter

- A universal spring-loaded top stop position limiter
- Used to prevent shade from rolling past the top/bottom limits

TUBE SIZE CHART

AVAILABLE TUBE SIZE

Tube Size is the same for all Fabric/Screen Type

MOTORIZED SHADE CONTROL OPTIONS

WAND CONTROL SHADES

- Wand control shades are operated by a rechargeable lithium-ion battery motor.
- Battery charging port located in back of the wand handle.
- 1 available wand colors: white

FABRIC WRAPPED HEM BAR

Control Options

CLUTCH CONTROL SHADES

- Clutches and bead chain loops are available in nickel.
- Standard chain length is $\frac{3}{4}$ length of shade. Custom chain lengths available as a surcharge option.
- Spring assist is available as a surcharge option for heavier shades.
- Compliant cord tensioners are provided with clutch control shades. Cord tensioners secure the cord loop to the wall or window. They must be installed for the shade to be compliant with safety regulations and to operate properly.

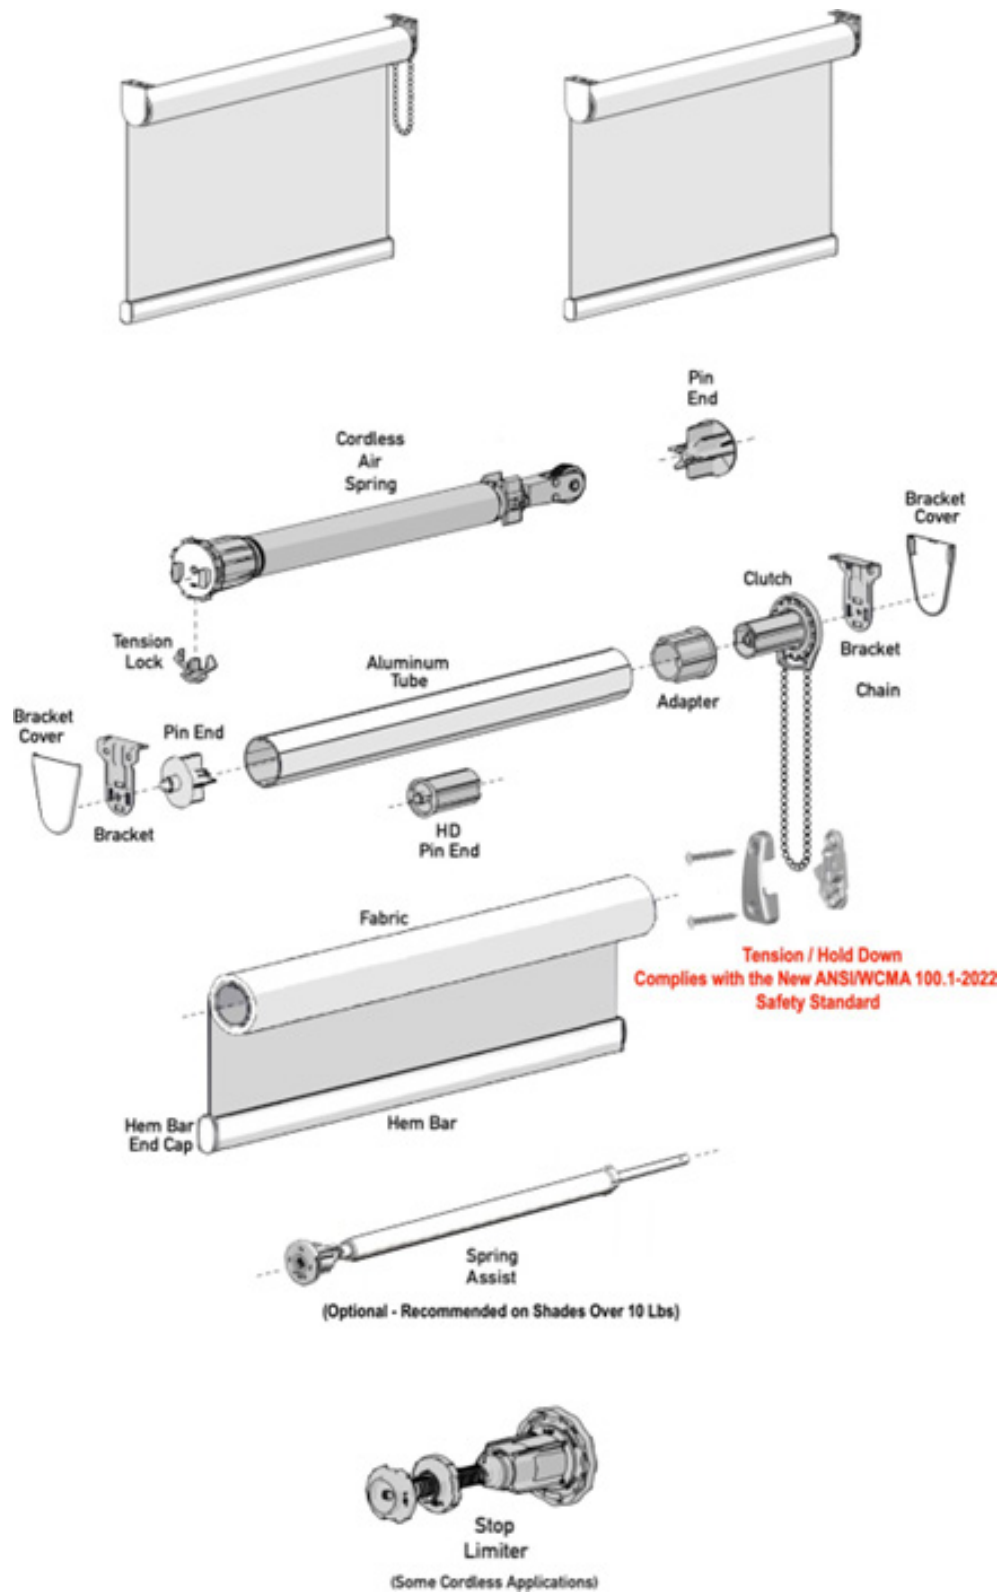

Extension Poles

- Available in white only
- Available in 2ft and 4ft

WARRANTY INFORMATION

WHO ARE WE: This warranty is given to you by Elegant Window Fashions

Elegant Window Fashions products are backed by a "Consumer Assurance Guarantee". Our "Consumer Assurance Guarantee" will cover your shades, to the original purchaser, for one instance per order, of damage for any reason. After the repair has been performed, don't worry, your shades are still covered under our transferable Limited Lifetime Warranty. Our Limited Lifetime Warranty covers your shades against original defects in materials or workmanship. The "Consumer Assurance Guarantee" and Limited Lifetime Warranty are both activated upon the products being properly installed and accepted by the consumer. Repair and replacement will be at the sole discretion of elegant shutters. Repair or remake of defective products is the sole remedy under this warranty. Repairs will be made with like or similar parts.

This warranty does not include shipping charges. Warranty claims must be accompanied by proof of purchase, as well as details regarding the nature of the problem, location of the product, etc. This warranty is exclusive and in lieu of all other obligations, liabilities, or warranties. All other warranties, both expressed and implied, are explicitly disclaimed. In no event shall Elegant Windows or Elegant distributors/ dealers be liable or responsible for incidental or consequential damages, or for any other direct or indirect damage, loss, cost, expense, or fee. Products are not covered on damage that occurs during instances of Natural Disasters or "Acts of God". Some states do not allow the exclusion or limitation of implied warranties, or incidental or consequential damages, so the above limitation may not apply to your state.
